Tech Trailers is Hiring!

Ready for a CHANGE?

Want to learn the trade inside and out?

Want to be more than just a *licensed parts changer*?

Tech Trailers is a dedicated service provider to the heavy transportation industry. Our goal is to provide

unparalleled customer satisfaction at a fair price. We strive to motivate and empower our technicians and support team to create a healthy work environment by fostering continuous employee training.

We are a busy shop, and getting busier all the time! We offer good employees the chance to work in grease, grime and dirt! Sometimes the hours are long, and that can include shift work, as well as weekends, inside and outside, and in all kinds of weather.

As an employee, you'll receive competitive wages, one-on-one, hands-on training from licensed professionals to excel in electronic diagnostics, engine repair, structural repair, problem solving, welding, fabricating, electrical troubleshooting and repair, and computer access, to name a few!

We offer comprehensive benefits after 3 months; medical, dental, vision, and life insurance. Wages are competitive and negotiated based on experience and qualifications. Exceptional individuals will make up to \$30/hour, with benefits. Coveralls also provided by the company.

Tech Trailers is now offering a **SIGNING BONUS** for new employees who give exemplary service!
